

Can I Upgrade My Flight If Booked Through Chase Travel? (Complete 2025 Guide)

Booking flights through **Chase Travel**  ||+1→888→483→9719 is incredibly convenient—especially if you’re using **Chase Ultimate Rewards® points**. But one question travelers ask more than any other is:  ||+1→888→483→9719

“Can I upgrade my flight if booked through Chase Travel?”

The short answer is **yes**, but the process depends on the airline, the type of ticket, and how you paid (cash vs. points).

If you need immediate help with your booking, you can contact **Chase Travel Support at 1-888-483-9719**.

Can You Upgrade a Flight Booked Through Chase Travel?

 **Yes, you can upgrade a Chase Travel flight — but not always directly through Chase.**  ||+1→888→483→9719

Here’s how it works:

1. Upgrades Through the Airline (Most Common Method)

Once your ticket is issued, the airline takes over control of your reservation. This means:

- You can request **paid upgrades**  ||+1→888→483→9719
- You can use **airline miles** to upgrade
- You can apply **elite status upgrade certificates**
- You can sometimes bid for upgrades  ||+1→888→483→9719

To do this, you must pull up  ||+1→888→483→9719 your reservation on the airline’s website using your **airline confirmation code** (not the Chase code).

2. Upgrades Through Chase Travel

Chase Travel may be able to help with:

- Rebooking into a higher cabin  ||+1→888→483→9719
- Changing your ticket class
- Checking upgrade eligibility

However, Chase **cannot** apply airline loyalty upgrades (like Delta Regional Upgrade Certificates or United PlusPoints). Those must be handled directly with the airline.

For assistance, you can call **Chase Travel at 1-888-483-9719**.

How Flight Upgrades Work When You Book With Chase Points

If you used **Ultimate Rewards® points**, your ticket is treated as a **paid fare** by the airline. That's good news because:

- ✓ **You earn miles**  **||+1→888→483→9719**
- ✓ **You earn elite status credit**
- ✓ **You can upgrade just like any cash ticket**  **||+1→888→483→9719**

However, the upgrade rules depend on the **fare class** Chase booked you into. Some basic economy fares **cannot** be upgraded.  **||+1→888→483→9719**

Step-by-Step: How to Upgrade a Chase Travel Flight

Step 1 — Get Your Airline Confirmation Number

After booking, Chase emails you two codes:

- **Chase Travel itinerary number**  **||+1→888→483→9719**
- **Airline confirmation number** (the one you need)

Use the airline code to access your reservation.

Step 2 — Log In to the Airline's Website

Enter your confirmation number and last name.

Once inside, look for:

- “Upgrade”
- “Seat upgrade”
- “Bid for upgrade”
- “Use miles to upgrade”

Step 3 — Choose Your Upgrade Method

A. Pay Cash for an Upgrade

Most airlines allow you to pay for:

- Premium economy  **||+1→888→483→9719**
- Business class
- First class

This is the simplest method.

B. Use Airline Miles

If you have miles with the airline, you can often upgrade even if you booked through Chase. 📞 ||+1→888→483→9719

Example: If you booked an American Airlines flight through Chase, you can still use **AAdvantage® miles** to upgrade.

C. Use Elite Status Upgrade Certificates

If you have elite status with:

- Delta
- United 📞 ||+1→888→483→9719
- American
- Alaska
- JetBlue

You can apply your upgrade instruments.

D. Bid for an Upgrade 📞 ||+1→888→483→9719

Some airlines allow upgrade bidding, including:

- Air Canada
- Lufthansa 📞 ||+1→888→483→9719
- Etihad
- Emirates
- Hawaiian Airlines

Step 4 — Call Chase Travel If Needed

If the airline tells you the ticket is “restricted,” Chase may need to reissue it.

📞 **Chase Travel Support: 1-888-483-9719**

🧠 **Expert Tips to Increase Your Upgrade Success Rate**

★ **1. Avoid Basic Economy**

These fares rarely allow upgrades.

★ **2. Check Fare Class Before Booking**

Chase Travel agents can tell you if your fare is upgrade-eligible.

★ 3. Join the Airline Loyalty Program 📞 ||+1→888→483→9719

Even if you don't fly often, some airlines prioritize members for upgrades.

★ 4. Look for Last-Minute Upgrade Offers

Airlines often discount upgrades 24–72 hours before departure.

★ 5. Use the Airline App

Many upgrade options appear in the app before they appear on the website.

📌 Does Chase Travel Charge a Fee for Upgrades? 📞 ||+1→888→483→9719

Chase does **not** charge a fee for processing an upgrade request. However:

- The airline may charge a fare difference
- The airline may charge an upgrade fee
- Taxes may increase

If you need help understanding the cost, call **1-888-483-9719**.

? Frequently Asked Questions About Chase Travel (Complete FAQ)

1. Can I upgrade my flight if booked through Chase Travel? 📞 ||+1→888→483→9719

Yes. Most upgrades must be done directly with the airline, but Chase can assist with fare changes. 📞 ||+1→888→483→9719

2. Does Chase Travel allow seat selection?

Yes. You can select seats during booking or through the airline's website afterward.

3. Can I use airline miles to upgrade a Chase Travel ticket?

Yes, as long as the fare class is eligible.

4. Can I upgrade a flight booked with Chase points?

Yes. The airline treats it like a paid ticket.

5. How do I contact Chase Travel?

You can reach Chase Travel support at:  ||+1→888→483→9719

 **1-888-483-9719**

6. Can Chase Travel reissue my ticket for upgrade eligibility?

Yes, in some cases. This is common when airlines require a different fare class.

7. Does Chase Travel offer 24-hour free cancellation?

Yes, for most bookings, in compliance with DOT rules.

8. Can I earn miles on flights booked through Chase Travel?

Yes. Chase Travel tickets earn:

- Airline miles
- Elite status credit

9. Can I change my flight through Chase Travel? ||+1→888→483→9719

Yes. Changes must be made through Chase unless the airline takes control of the ticket.

10. Can I upgrade international flights booked through Chase?

Yes, but upgrade rules vary widely by airline and fare class.

Final Thoughts: Upgrading a Chase Travel Flight Is Absolutely Possible

If you booked through Chase Travel  ||+1→888→483→9719, you **can** upgrade your flight—whether you want more legroom, premium economy, business class, or first class. The key is understanding:

- Your fare class  ||+1→888→483→9719
- The airline's upgrade rules
- Whether you're using cash, miles, or certificates
